

REGISTRATION INSTRUCTIONS - MVLL.INFO

All New Players to MVLL must present documents showing date of birth and a Mountain View residential address (if not a resident of Mountain View, then registration at a Mountain View school). The schedule of walk-in registration events can be found at our website at mvll.org. Photos of documents can be sent to MVLL using instructions provided in the confirmation email after registering online.

These are examples of acceptable documents:

- Player's birth certificate or other government issued proof of birth date, AND
- Utility bill to verify player resides in Mountain View, OR
 - school issued enrollment record at a Mountain View school, or
 - report card from a Mountain View school.

Returning Players to MVLL do not present documentation unless address has changed. **Returning Players to MVLL** do need to present documentation if documentation has not been previously provided.

All Players must register online at mvll.info. There are no paper registration forms, consequently registration can not be done using email or postal mail.

Come to an in-person registration event for the following reasons:

- Your player is new to the league and you have questions
- You need to show us documentation
- You wish to make payment in cash, check or money order
- You have questions that are best answered in person

Completing the MVLL Registration and Medical Release Forms are now done using the online form at MVLL.INFO.

Upon completion and submission of the online registration form, a confirmation email is sent to the first parent/guardian listed on the registration form. **Please review the confirmation email attachment for accuracy** as the league and team managers use the it to form teams. In the event of an emergency, we use the contact information as provided.

Volunteer. Please consider volunteering to help on your child's team to manage, assistant coach, or become a league board member. The MVLL Volunteer Jobs form is in the Handouts section of the website. **All Adult Volunteers** must complete a background check procedure to comply with the Little League Child Protection Program. Request background check instructions from Safety Director, David Ristedt, by email at safety@mvll.org.
